Dear Parent/Carer

Following a successful recruitment process we are delighted to inform you that we have recruited 3 new College Achievement Leaders who will be joining both Mr Beck (Moore) and Ms Shortt (Shakespeare) from Monday 5th June.

Luther King will now be led by Miss Harris who has been promoted from her previously held role within the school. Miss Harris is known to our students and will be well placed to support Luther King students.

Keller will be led by the newly recruited Miss Read. Miss Read is an experienced Head of Year and teacher of Maths and PE. Miss Read will no doubt make for an excellent addition to our team.

In addition we have also appointed Mr Taylor as a fifth College Achievement Leader who will not be allocated to a college but will be working with students in all year groups to provide specific interventions and opportunities for our most able learners. Mr Taylor will also be joining our science department.

The new College Achievement Leaders will be contacting you shortly after half term to introduce themselves. If you have any questions directly concerning your child's progress, attendance, behaviour or welfare please continue to contact their form tutor in the first instance.

This is an exciting time for us all and we feel confident that our all newly appointed staff will make a significant contribution to our school in the coming years.

Yours sincerely

Ms V Pouter
Vice Principal
