12<sup>th</sup> September 2018

**Year 10 and 11 students**

Dear Parent/Guardian

We are delighted to be able to give parents the opportunity to come to a presentation by Memory expert Robin Launder on Monday 24<sup>th</sup> September in the main school hall at 6.30pm. Robin Launder is a highly experienced educator who runs inspiring training sessions for pupils, staff and parents. He will giving a presentation on his memory hacks and revision skills and how to support your children throughout their GCSE studies and in preparation for their exams. He delivered a fantastic session to staff last year which has helped develop our curriculum over the last year and so we are delighted to welcome him back to Bassingbourn again this year.

He will also be delivering sessions to Year 10 and 11 students during the afternoon on Monday 24<sup>th</sup> September to give them guidance on preparing for their GCSE exams and how to revise effectively. We feel it would be hugely beneficial for parents to attend this presentation to gain further insight into how to support your children in their revision. With the changes to the new style courses we feel it is imperative that students are able to transfer the depth of knowledge they need from short term to long term memory. This is something that Robin has real insight into which he will share during his presentation.

We look forward to seeing you all. To help with the planning of the evening please can I ask that you complete the reply slip below to indicate if you are able to attend by Monday 17<sup>th</sup> September as spaces are limited and we expect this to be a popular and well attended event.

Yours sincerely

*R Chalmers*
