Ms V Poulter
Head of School

15th March 2019

Dear parents/carers, and friends of Bassingbourn Village College,

New Principal of Bassingbourn Village College

I informed you several weeks ago that we started the process of recruiting a new Principal. After advertising the post and providing tours of the college we received six applications. We invited the three strongest candidates to interview and over two days this week we held a process of rigorous interviews and presentations involving students, staff and governors.

At the end of the process the selection panel unanimously agreed that Ms. Vickey Poulter was the strongest candidate. We offered the post to Ms. Poulter and I am delighted that she has accepted our offer. Ms. Poulter will be Principal of BVC from September 2019.

Ms. Poulter has been fulfilling the role of Acting Head of School admirably during the last few months, and this appointment is an exciting development for BVC. We were impressed by Ms Poulter's vision for the future of the college and I have every confidence that Ms. Poulter will lead the college to become an outstanding school during the coming months and years.

Yours faithfully,

Stephen Morris
Chair, Local Governing Body
