## Year 10 Taster Days and Open Evenings

This term Year 10 students will start to consider their future plans and be thinking about which college they may wish to attend. There have been some changes to the traditional offerings from the 6<sup>th</sup> form colleges in the Cambridgeshire area. Please refer to the information below to ensure that you are aware of what is available for the students and that students don't miss opportunities, as some Open Evenings that have been traditionally in the Autumn of Year 11 have been moved to the Summer of Year 10.

The key changes are that CAST, Long Road, Parkside and Hills Road will not be holding any Open Evenings in the Autumn term. Long Road and Hills Road have also decided that they won't be holding any taster days for the students. This means that the only opportunity for students to visit these institutions before making their decisions in November/December will be the Open Evenings being held in June. If your child is considering these colleges, please ensure that you visit the colleges in June.

Any student interested in any of the taster days should see Miss Hields to sign up for information. Information packs are currently available for CRC and The Oakes.

The following page has information about the Open Evenings, correct as of May 2019. It is advised that students visit all colleges that they are interested in so that they will have all the information they need to make their final decisions in November/December. Please be aware that the only opportunity to visit some colleges will be in June so students should make sure that they don't miss out.
