## Year 8 District Hockey tournament:

We played 4 games and scored 16 points with 6 goals. We were so close to getting into the semi finals but another team got the same points as us but won through on goals.

Our first game was against Comberton which we unfortunately lost 1-0. But we picked back up and in the second and third games against Cottenham and Impington we won both 2-0, with goals from Ella, Millie and Sophie.

In our last game against Bottisham we again won 2-0 with Charlie and Sophie scoring the goals.

Overall the team did very well and we were unlucky not to get into the final four.
